Mooresville, Indiana
 January 2, 1956

The Clerk-Treasurer having been sworn in, proceeded at 12 o'clock C. S. T. January 2, 1956, to swear the following elected trustees into office Harold Hawkins, Walter Asbury, Wm. Einfeldt, Ralph Roberson Jr. and Hershel Gibbs. A special session was immediately called and Harold Hawkins duly elected President, with Walter Asbury as temporary chairman. Harold Hawkins was then elected Permanent Chairman.

The first matter of business was the subject of complaints. Asbury moved and Gibbs seconded that all complaints, to be considered must be put in writing and sent to the Clerk-Treasurer to be presented at the next meeting. A complainant may then appear in person if he wishes. This rule is to be published in the Mooresville Times and the Martinsville Reporter so that the public may be advised. This motion was carried.

The following committees were named.
 Street--Einfeld & Roberson
 Park-- Asbury & Hawkins
 Cemetery--Gibbs & Roberson

Gibbs moved and Einfeldt seconded to retain the present police force, fire department, street commissioner, cemetery sexton, and all other present employees. Motion carried.

A discussion on the selection of an attorney followed. All agreed one was needed who was familiar with the present set up and with corporation law in general. Trustee Gibbs called Mr. Butler asking him to be present at the meeting on January 3 to help them with

questions which might arise. He consented to be present.

Mr. Hawkins asked the Board if they would be willing to have some minister present at the meetings to open with prayer. All heartily agreed. He will contact the ministers of the Town.

Einfeldt moved and Roberson seconded the meeting adjourn to meet in regular session January 3rd at 8 P. M. Motion carried.

Mooresville, Indiana,
January 3, 1956.

The Board of Trustees of the Town of Mooresville met in regular session January 3, 1956 at the Municipal Building at 7:00 P.M. All members answered roll call. Mr. Gilbert Butler was also present. Reverend Crisswell of the First Methodist Church opened the meeting with prayer asking God's guidance in the decisions of the evening and in the years to come. The minutes of the called meeting of January 2 were read and the chairman declared them approved. Because of the early date of the meeting no Treasurer's report was given.

The selection of an attorney was the first matter of business. The Board asked Mr. Butler to serve them but he told them in a very nice way that he would rather be relieved. Further decision was postponed until a committee composed of Mr. Asbury and Mr. Hawkins could call on Mr. Chas. Foley. *Mr. Einfeldt*

Mr. Butler was called on for advice concerning some questions which had come to the attention of the Board. One of these was the cars parked on the street at Allen's body shop. They were advised to be tactful about it but to tell him they must be moved.

The question of handling lesser violations here was postponed until further investigation. The building of a mausoleum was next discussed. Einfeldt moved and Asbury seconded that the Board was not interested at present.

The Park condition was next discussed. This case is that the Lumber Company is infringing on Town property to the extent that the ground has been badly damaged. The advice on this was to have the company clean the grounds, put them in as good shape as they were and pay at least part of the cost of surveying. If it is not done there is room for suit.

Asbury moved and Roberson seconded we buy some used office equipment—namely—adding machine, file cabinet and typewriter table.—motion carried.

Einfeldt moved and Asbury seconded that the fire department buy the necessary nozzles, attachments etc. motion carried. The following claims were presented for payment

An informal meeting was held on January 18, at 7:30 PM, with the following present:

Hawkins
Gibbs
Enfelt
Asbury
Roberson

A letter was read from Mr. Hobson requesting permission to dig at a certain spot to find a stone land mark, as town map was not available, Gibbs made a motion seconded by Asbury, giving Harold Hawkins permission to handle the Hobson request as long as no utilities such as, light, water, and gas were disturbed.

Considerable discussion regarding selection of attorney followed.

NOTICE TO BIDDERS

Notice is hereby given that the Board of Trustees of the Town of Mooresville, Morgan County, Indiana, will at the hour of 8:00 o'clock p. m. on the 6th day of March, 1956 at the Town Hall in the Town of Mooresville, receive sealed bids for furnishing and delivering the following products:

Oil, tar or asphalt products delivered and applied upon the public streets of said town in such quantities, quality and type as directed by the Board, including incidental aggregate patching materials and other products as needed.

Proposals shall specify the type of materials and unit price and be submitted on prescribed forms and accompanied by bid bond or certified check in the amount of \$250.00.

Bidders shall furnish non-collusion affidavit and comply with all state and federal laws which may be applicable to the work to be performed.

Board reserves the right to reject any and all proposals.

The Board of Trustees,
Town of Mooresville.

Myrtle Asher, Clerk-Treasurer.

to contact the State Highway Department to see if it would be possible to have a walk and wait sign installed at the intersection of Main and Indiana streets. Also ask them if they will cooperate by moving their speed sign at the School House and allow the Town to place a slower one there as it is the general consensus that thirty miles per hour is too fast past the school. A letter was read from the Highway Department denying the Town the flasher signal which they had requested at Main and Franklin streets. They said the Town might install one at their own expense. The Board did not feel this could be done at the present.

A letter from the Attorney General concerning the holding of minor violators in the local jail, was read. He referred to the prosecutor of Morgan County saying he was fully qualified to advise us. Mr. O'Brien will contact Mr. Fulford. It is Mr. O'Brien's opinion that the Town would not be responsible for any accident to a prisoner while in the jail.

The letting of bids for oiling and resurfacing streets was next discussed. The Clerk was instructed to send notices to interested parties. *The bids will be read Mar. 6th*

A reply from Mr. Gray, County assessor, concerning the assessing of the Gene Allman property was read. He advises us that Mr. Allman is assessed in Brown Township.

Gibbs moved and Einfeldt seconded that the town send a claim to the Township for a fire run made to Hoosier Pete's filling station.

Since the Township fire truck has been moved to its new quarters, the Clerk was instructed to contact replacing the meters in front of his place of business. *Leland Jessup*

Fire Chief Monday was present and gave a report on the equipment of the fire trucks. He was asked to bring a written statement to the March meeting of the needed equipment so the can be fully equipped. It was suggested that the firemen use the hydrants in practice and a competent driver be available at all times.

The crowded condition of the gym at the ball games was brought to the attention of all. It was generally agreed that in case fire broke out or some other accident, there might easily be a terrible calamity if conditions are not changed. They asked that three police be on duty at games as well as the foreman. All drives and exits are to be kept open. Along this same line the Clerk was instructed to contact the Water Co asking for a report on how often the hydrants are inspected.

A letter was read from the Red Rose Garden Club offering to paint the trash barrels and get them ready to put back on the streets.

As soon as the barrels can be obtained they will proceed.

Mr. Hawkins mentioned some needed *repairs* improvements at the Scout cabin. Mr. Kendall will attend to this.

The Clerk-Treasurer was instructed to have the map of the proposed annexation framed and hung in the building so it will be made available to the public.

The need for a new police car was discussed and the Clerk was instructed to publish notice to automobile dealers that they would receive bids at the March meeting. This was done by a motion by Asbury and a second by Gibbs.

As the hour was quite late the money counter was not discussed but the Clerk was instructed to ask a representative of the company to be at the next meeting. The Old Settlers will also be discussed then.

The Clerk-Treasurer asked the Board to sanction her being out of the office a few hours each week. This they readily did.

The following claims were presented for payment

The Board of Trustees of the Town of Mooreville met in a special session January 27 for the purpose of selecting a Town attorney. All members answered roll call. Mr. Penn H. O'Brien was present and after an inter view, a vote was taken, the candidates being Mr. O'Brien, Mr. Noble Littel and Mr. Robert Wade. The vote resulted as follows; Mr. O'Brien, four votes and Mr. Littel one. Mr. O'Brien was declared elected and the Clerk-Treas. instructed to so notify him.

A few other matters were brought to the attention of the Board but since the meeting was for the purpose of the selection of an attorney no action was taken on any with the exception of the publishing of notice to bidders for oiling streets. The Clerk-Treasurer was instructed to so publish these notices. The meeting then Adjourned to meet in regular session February 7, 1956.

March 2, 1956

The Board of Trustees of the Town of Mooreville met in a special session March 2, 1956 at the Municipal Building at 8:00 P M. Hawkins Einfeldt, Roberson and Gibbs answered roll call. The purpose of this meeting was to dispose of several matters that had been brought to their attention. Due to the many matters to be brought up at the regular meeting, they felt they could discuss these lesser details thus saving time for the very important ones.

The first matter to be considered was the downspouts connected to the sanitary sewers. Gibbs moved and Einfeldt seconded that Mr. Monday be instructed to remove the ones from this building immediately. Then steps can be taken to remove others.

The water situation at Circle Drive was next discussed. It was suggested that the County Commissioners be consulted to see if a solution could be worked out.

A motion was made by Einfeldt and seconded by Roberson that Kendall make a daily report of his work and the Board will make lists of what they want done.

The building of houses so close to the property line was brought to the attention of the Board. They feel there should be an ordinance prohibiting building close enough to the line as to make draining a problem. It was suggested we borrow a copy of Plainfield's zoning ordinance.

The parking of junked and wrecked cars on town property was discussed.

Parallel parking seems to be one way of solving this. Mr. O'Brien will be consulted.

The Penn. Railroad has requested permission to put "No Parking" signs at Main and Madison Streets as the parking has become quite a hazard. This was granted by a motion by Einfeldt and a second by Roberson.

The Clerk was instructed to call the Surveyor to see if he can get the work done at the Park soon.

The Bell Telephone Co has asked permission to cut the limbs from trees where they are rubbing the cables. This was granted but the Company is asked to clean up the limbs.

After a discussion it was moved by Einfeldt and seconded by Roberson to change the date of Old Settlers to the first Tuesday in August due to conflicting dates with our main concessions. This will be advertised now and several times during the summer to give non-residents a chance to make their plans accordingly.

In going over some items the Board agreed not to bill the Township for runs as it is the desire that ^{her property} both departments work in harmony.

A letter from Mrs. Allen on ^{her property} E Harrison Street concerning water on her property was read and this will be remedied as soon as possible.

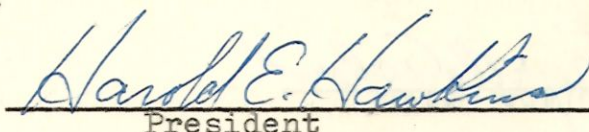

A letter from the Hoosier Water Co. was read. They reported all Hydrants had been drained and flushed in November. They seemed to resent the fact that a statement had been released for publication, but since no statement was released, the Board did not feel they had been in the wrong.

A letter was also read from the State Board of Health saying they would have a representative at our March 6th Meeting. A letter from Dual Parking meter Company was received saying they were sending a representative to the meeting.

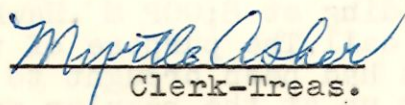

The Clerk Treasurer had received a copy of a letter from the State Highway Department in which it was shown that a request from the Town concerning speed past the school, had been referred to the proper channels.

Gibbs moved and Einfeldt seconded that in the future in case of death in the immediate families of employees of the Town, the Clerk Treasurer order flowers to the amount of five dollars, to be sent in the name of the Board. Motion carried.

Einfeldt moved and Gibbs seconded the meeting adjourn to meet in regular session March 6th. Motion carried.

The Board of Trustees of the Town of Mooreville met in regular session March 6, at 8 P.M. at the Municipal Building. Hawkins, Einfeldt, Gibbs and Roberson answered roll call. The meeting was opened with prayer by Reverend James Furbay of the Friends Church.

Due to the number of matters to be discussed the President entertained a motion to dispense with the reading of the minutes of the previous meeting. Einfeldt moved and Roberson seconded to so do. Motion carried.

Mr. Hurt of the State Board of Health was called to speak first. He spoke of the unsanitary condition of the present septic tanks. He said it is evident the Town can not grow very much with the present tanks, and that not much can be done with them as they now are. He cited Plainfield as an example of a town's growth. He spoke of the need of industry if a town is to expand and said Mooreville's sewage system was not adequate to take care of any large industry. We rank very low in ~~this~~ sewage disposal. In case the State Board does order pollution of the streams discontinued, a reasonable length of time will be given to remedy this situation. He suggested the Town enforce the law governing the connection of down spouts to the sanitary sewer by police action. This would remedy the flooding of basements to some extent.

Minutes of March 6 Continued

Mr. H.D.Coleman appeared before the Board and introduced Mr. A.H.Lusty and Mr.W.R.Gentry. Mr. Lusty as President of the Mooresville Development Corporation told the Trustees that they had purchased the tract of land north and east of Mooresville known as the Wheeler land. They asked that the Town give them the assurance that they will annex this land when it is properly developed. Mr. Gentry who is the contractor explained their plans. The plot will be laid out in lots. streets finished, sidewalks in landscaped, houses finished and every thing approved by F.H.A. before the Town will be expected to annex it. He also said it is their plan to put in their own sewer system to connect with the Town's main line. With this understanding ~~the Trustees~~, Gibbs and Einfeldt seconded that the Town consider and approve this annexation when the Corporation has completed their proposed plan and presented them for approval.. Motion carried.

Mr. Chas Lee of Dual Parking Meters was called to speak next. He proposed the purchase of a coin counter and sorter by ~~the~~ which a considerable length of time could be saved in handling the parking meter money. He also brought the Board up to date on the installation of meters etc. He was told the Board would take the matter under consideration and would contact him later.

The subject of Recreation was next discussed. The Trustees will meet with the Recreation committee on March 13, to plan further for this. They will also meet in session on March 20 to hear the representative from State Highway safety Dep't and other matters.

Bids were received for the street work this spring. Bids from Hargis of Terre Haute, F.S. Grady of Indianapolis and Ralph Rogers of Bloomington were read. They will be considered and acted on March 20.

Bids for a Police car were next opened. Ford and Chevrolet both submitted bids but since they were not on proper forms, they will also be considered march 20 after they are placed on legal forms.

Mr. Dale Sheets appeared with a complaint concerning the site of the water tower. A discussion followed. The Water Co. has not approached the Board in this matter so the Trustees can take no action.

Mr. Joe Elkins appeared with a complaint concerning the ditching of the water around Arrow Engineering Co. by which the water is forced onto the residents of N. Indiana street. This was referred to the Street Committee.

Mr. Bill Wilson, president of the Hoosier Water Co. and Mr. Holland also of the Water Co. were present and asked the assistance of the Board in obtaining a suitable site for the tower.

Representative Phil Johnson was present and introduced Mr. Chas Miller State Highway Engineer. Quite a discussion followed on the need for walk and wait signs at the intersection of Main and Indiana Sts. Mr. Miller suggested that Mr. Hawkins write him a letter listing places and locations within the town limits on the highway where more protection is needed. Upon receipt of this letter he advised that when Mr Killian returns about April 1st, they would make some studies of the situations and make recommendations as to steps to be taken to correct the problems.

The Board recommended that it would be alright for a trailer to be parked on the lot east of the Church of God providing permission be obtained from owners of lots on either side of said lot. Trailer will be hooked to water and sewer facilities as provided by town ordinance.

The minutes of February 7 were read and approved. The minutes of the month of March were read. It was suggested that the words "storm sewers" be added to the description of the improvements that the Development corporation would make in their proposed addition. With this addition they were declared approved.

The bequest of \$100.00 from the Elsie Dorman estate was next discussed. Since the State Board of Accounts had given the Clerk-Treasurer permission to allow the Board of Trustees to decide whether to place this in the cemetery or permanent maintenance fund, the cemetery committee wished to consider it until next meeting. For this reason, no financial statement could be given.

The adding machine bids were next opened. They were as follows:

| | |
|-----------------------|---------|
| Mooreville Feed Store | \$27.25 |
| Emory Welch | 12.00 |
| Mr. Fletcher | 12.50 |
| Lawson Lawrence | 610.00 |

Gibbs moved and Einfeldt seconded we accept Mooreville Feed Store's bid. Motion carried.

Mr. Joe Elkins appeared before the Board concerning water from Arrow Engineering Co. being drained onto his ground. He was advised that since both properties concerned are private property, the Town has no jurisdiction over it.

Messrs Paul Brewer, Mr. Lower, James Harsin and Marc Williams appeared with a complaint about water on their property on Hadley St. and Maple Lane. This was referred to the street committee and Mr. Kendall who will investigate.

Mr. H. D. Coleman next spoke concerning the plot of ground the Development Corporation has purchased and wish to have annexed. They want the Town to annex it so they can resell to another corporation. Mr. O'Brien and Mr. Coleman will confer on this matter.

The Police Car bid were next considered. After a discussion a vote was called. It resulted as follows Chevrolet ..three votes and Ford..two votes. The Chevrolet bid was accepted. The bids are on file in the Clerk's office and price and specification may be inspected.

After a discussion on the trailer situation, Asbury moved and Roberson seconded that Mr. O'Brien write Mr. Harlan Ozment a letter ordering him to comply with the trailer ordinance within ten days or be penalized accordingly.

Mr. O'Brien was asked to prepare ordinances requiring parallel parking and requiring all downspouts to be removed from the sanitary sewer.

Because of the ~~number~~ Number of matters needing attention, Gibbs Moved and Asbury seconded that the Board meet each first and third Tuesday and at 7.30 P M instead of 8:00. Motion carried.

Permission was given the Police to use their own cars if necessary to stop the "hot rod" from using the streets as race courses.

The Clerk Treasurer was instructed to write Mr. Delbert Hobson asking him to survey the strip of ground at the Town Park next the Lumber Company's property.

Kay Connell's application to help in mowing the cemetery was presented and since he is well recommended, it was agreed to hire him.

The Police were instructed to buy their gas of Carl's service station for the month of April

The following claims were presented for payment:

The Board of Trustees met in a called session April 10, 1956. All members answered roll call. Their attorney, Mr. O'Brien was also present. The meeting was called to consider the water tower situation.

Mr. Wm Holland of the Hoosier Water Co was the first speaker. He presented an application for a building permit to erect a water tower on Jefferson Street. He told of some of their problems and a discussion followed. Several citizens of this neighborhood were present to protest the placing of the tower at this location. Mr. Cecil Barr, Dale Sheets, Lowry H Hundley, Frank Eagwood, Walter Robinson and Mrs Anna Gamble all spoke against the Tower. Their objections were that it was a residential district; and that it would interfere with television.

~~After hearing all who wished to talk, all was agreed to let the matter go for the time being. The Board will take it under advisement and act as soon as possible. Motion carried.~~

~~On the motion of Mr. Asbury seconded~~

Gibbs moved and Asbury seconded that since the application had been submitted properly, the Board will take it under advisement and act as soon as possible. Motion carried.

Mr. Ozment has asked for an extension on his work in complying with the trailer ordinance and an extension of two days was granted.

Mr. ^{moving} formerly Jessup Hardware Co. has asked for the removal of one meter in front of his place of business so he can drive into his place. It was suggested he put his request in writing.

The editor of the Mooresville Times was asked to print in his paper that the Board was considering the lot south of the Municipal Building as a site for the tower. This will be to get the consensus of the people.

The meeting adjourned to meet in regular session April 17th.

Mooresville, Indiana,
April 17, 1956.

The Board of Trustees of the Town of Mooresville met in regular session April 17, at 8: P M at the Municipal Building. All members answered roll call. Their attorney Mr. O'Brien was also present.

The Minutes of both meetings in the month of April were read. It was called to the attention of the Clerk-Treasurer that in the request of the former Jessup Buford Hardware Co. they asked for the moving of a meter, not the removal. With this correction the minutes were approved by a motion by Roberson and a second by Einfeldt. The financial statement was not completed but the cemetery committee reported that they had decided to put the entire amount of the Dorman bequest in the cemetery fund; therefore the report can now be completed and reported at the May meeting.

Mrs. Mildred Thompson appeared before the Board with two concerns. The first was concerning the alley south of her house. It seems as if Mr. Thompson had given sixteen feet to be used as an alley. This has never been cared for and property owners on the south were under the impression that it was part of their lot. Mr. O'Brien will investigate the matter. The other matter was the condition of a strip of land adjacent to the cemetery on the north. She complained that it was used as a dump and therefore very unsightly. This was referred to the cemetery committee.

Mr. E. F. Hadley spoke on the drainage on the west side of Indiana Street north. He asked the Board to confer with the County Commissioners to see if some improvement could be made.

The Water Tower was the next matter to be discussed. Mr. Holland spoke for the Company and a group of citizens with Cecil Bain as spokesman were present with a petition protesting its erection on Jefferson Street. Since the Building ordinance of the Town was found to be invalid and so does not exist, the Board has no jurisdiction over the matter. Also Mr. O'Brien informed the Board that according to law, the Board can not dispose of the lot south of the Municipal Building for. Quite a discussion followed and the group gave their petition to the Board as they wished it filed although the Board could not act. Mr. Fred Bryer, a petitioner, who was not with them at the last meeting was present.

Mr. Dean Abbott asked if the minutes were open to the public. The answer was "yes".

The sidewalk in front of Armstrong's grocery was brought to the attention of the Board. The Street Committee will check this.

In the Trailer ordinance discussion, it was agreed that since Mr. Ozment

has vacated his trailers, no action will be taken but if they are again rented, he must comply with the law. Gibbs moved and Roberson seconded that the day policeman check all trailers to see if laws are being obeyed. Mr. O'Brien will prepare a list for them to check.

Einfeldt moved and Roberson seconded that the owner of the former Jessup Hardware store send a written statement to the Board as to what he wants done regarding the meter in front of his store. The Board is willing to cooperate in any way they can.

Asbury moved and Roberson seconded we buy the needed tile for Mr Kendall to put in some ditches. Mr. Kendall will get an estimate from Ray House on the cost of a hoist built onto the Town Truck.

The Cemetery committee will check on tearing down old building at cemetery and improving the site. Also they will try to find a way to dispose of refuse in cemetery. Reflectors are to be bought and placed on chains at gates and the police on duty from 4:pm till midnight will lock the chains at dark. Padlocks will be bought for the tool house.

The care of the Town Park was the next item. The Park committee will investigate and locate the equipment for playground which belongs to the Town. Kendall will be instructed to haul it to park. The man hired to care for the Park is to be instructed to burn the wood thrown there by the Lumber Co. He is to notify Fire Chief Monday so they can stand by. The Lumber Co will be asked not to dump any more on town property.

In the discussion of annexation, Mr. O'Brien read a law by which the Town can annex land which is already laid out in lots. This will simplify the annexation which is in court at present. All agreed they would not annex the land which the Development Corporation has bought until the proposed plan had been submitted and approved.

Gibbs moved and Asbury seconded we buy as much recreation equipment as possible.

The following bills were presented for payment

Mooreville, Ind.

May 1, 1956.

The Board of Trustees of the Town Of Mooreville met in regular session May 1st at 7:30 P.M. at the Municipal Building. Hawkins, Asbury Einfeldt, and Roberson answered roll call. Prayer was by Reverend Suttentfield of the Christian Church.

The minutes of the previous meeting were read and approved by declaration of the Chairman. The Treasurer's report for March showed a balance in all funds to be \$25,176.87. April balance was \$27,487.57. The Clerk-Treasurer reported having received check for \$5199.47 from M.V.H., \$664.80 from A.B.C., and \$103.50 interest on Permanent Maintenance fund investments.

After a report on conditions of streets coming under jurisdiction of the State Highway, the Clerk Treasurer was instructed to write the Highway Department asking their cooperation.

Mrs. Walter Thompson was present to hear the decision about the alley south of her house. Mr. O'Brien explained to her that the records show it to be ~~a~~ a public way, therefore belonging to the Town.

Mr. Clarence Gregory appeared to speak against the Junk yard near his home. Mr. Clarence Squires also spoke about this. An ordinance was produced showing the keeping of a junk yard to be against the law of the Town. This was adopted in 1941 and the records will be examined to see if it has been repealed. Mr. Asbury reported having talked to the owners and they had said they were going to eventually use the building for their cars instead of the lot.

Mr. William Cox was present as a visitor and introduced Mr. Todd, the General Manager of the Public Service Co.

Mr. Hite and Mr. Williams were present to speak of the condition of Maple Lane. Trustee Einfeldt reported they had investigated and promised work on it as soon as possible.

A letter from Mr. Berkey of B & K Hardware Co. was read requesting the moving of one meter from in front of his place of business. The Clerk-Treasurer was instructed to write him granting his request providing he does not interfere in any way with the parking of cars or at any time ask a car to move.

Mr. Dewey Coleman appeared regarding some posts which Harlan Ozment had set which he thought was on Town property but which Mr. Ozment claims is on his ground. He was advised to find out for sure which was right.

Fire Chief Monday explained a letter from the rating Bureau. He stated they had part of the needed equipment for the Fire Department. He also reported that the Kroger Manager had built fires against regulations. A letter was ordered sent to the main office advising them of this.

The unsightly cluttering of the rest rooms by the Public was noted and it was decided to lock the door and leave a sign on the door telling them to call for the key in office.

Chas. Nelson was present and asked the Board to consider turning the meters off at six o'clock on Saturday night. He was speaking for the C of C. The Board that if the meters were shut off they would be used in such a way that it would not benefit the public in shopping. When the stores close at six the meters will be shut off. Mr. Nelson asked if there was any way the Chamber could help. Mr. Hawkins suggested they might consider the needs of a modern building at the Town Park.

The need for a hoist for the Town truck was brought to the attention of the group. Since there is no fund available at this time for it Mr. House or some like shop will be contacted to see if they will wait for their money until an additional appropriation can be requested.

After a discussion of the sewer conditions Asbury moved and Roberson seconded that Einfeldt contact H B Monday and Sam Wade to see if they will act as sewer inspectors.

Mr. Hawkins asked the group to bring names to the next meeting to be considered for appointment to the School Board.

A request for a sewer permit on the Glen Poe lot was presented. Clerk-Treas. was instructed to tell Mr. Poe to request the permit in his name to comply with the ordinance.

Mr. I

Mr. Kendall is to be instructed to destroy the mattress from the jail and it will not be replaced.

Ordinance No 1___1956 calling for parallel parking of cars was given first reading. Einfeldt moved and Roberson seconded to place the minimum fine as \$2.00 on this ordinance. Motion carried.

Ordinance # 2 concerning attaching downspouts to the sanitary sewers was given first reading. Roberson moved and Einfeldt seconded that the minimum fee on this be \$5.00. Motion carried.

A request for annexation of a tract of land north of town was read from H.D. Coleman. Mr. O'Brien stated that even if the annexation was made, that the owners could not record the plat until it was approved by the Board. Wishing to study this thoroughly, the Board reserved decision til next meeting.

Mooreville, Indiana,
May 15, 1956.

The Board of Trustees of the Yown of Mooreville met in regular session May 15 at the Municipal Building. The meeting was called to order at 7:30 P. M. by President Hawkins. Prayer was by Reverend Griffith of the Nazarene Church. All members answered roll call. Until the Clerk-Treasurer arrived, Roberson acted as Secretary. *Mr. O'Brien was also present.*

The minutes of the May 1st meeting were read and approved. A discussion on the Water Company's packing dirt over the new mains followed. A letter on the condition of some sewers in town was read and a copy ordered sent to both Mr. J. E. Allman and the Frozen Food Locker Co.

A letter from the State Board of Health was read and the Clerk Treasurer asked by Mr. Hawkins to contact them asking ~~them~~ if they would have a representative come down and explain more fully their wishes.

A letter from the State Highway Department on restricted parking on Road #67 in Mooreville, was read. They ordered no parking on the Highway on the east side of Indiana Street from Main Street to the alley south., and on Main From Indiana street ~~east~~ to a point 100 feet east. This is on the north side. Mr. Kendall was instructed to remove the meters from these streets.

Mr. Clarence Gregory was present to see about the Junk Yard ordinance. The Attorney, Mr. O'Brien was not present to interpret the ordinance. Mr. Richard Thompson, the owner of the business in question, was also present. He reported the property would be surveyed and fenced. He felt in time it would work out as it would be a new and used parts business.

A representative from the newly organized J C C 's ^{*was present*} They said they would clean the rest of the building and a letter of thanks was ordered sent to them for the work they had done.

Richard and Robert Allen appeared and asked to have the ordinance on parallel parking explained more fully. It is felt this also can be worked out satisfactorily.

Mr. Dickson, representing the Citizen's Bank as Executors of the will of Ida Fogleman was present. He advised that the new State Highway would cross the land at a point near the Town's Septic tank. He advised that the heirs were willing to dedicate a strip to the town to be used as a street to gain access to the septic tank, providing the town would make a street of this strip. The matter will be investigated by the two attorneys.

Mr. Dickson expressed his appreciation for the work being done by the Board both personally and from the C O F C. He brought a verbal report on the action of the Chamber regarding the purchase of the hoist for the Town Truck.

A discussion on the need for a new Community Building at the park followed. Dean ABBOTT of the JCC's was present and said he is sure they will help.

A letter from the Misses Phillips asking to have a ditch near their home cleaned was read and Mr. Kendall is to see to it as soon as possible. He will also clean the one crossing the property of Walter Smitherman.

Ordinance # 1-1956, concerning parallel ^{*parking*} was given second reading. Roberson moved and Einfeldt seconded its adoption. Motion carried.

Ordinance #2-1956 concerning downspouts being hooked into the sanitary sewer was given second reading. Einfeldt moved and Gibbs seconded its ~~ad~~ adoption. Motion carried. These ordinances will become effective May 25, 1956

A report was made that the mower from the cemetery had been stolen. This was referred to the cemetery committee who will see about purchasing a new one.

A copy of a resolution to be sent to the County Commissioners concerning the dredging and cleaning of Goose Creek and the construction of a new culvert to take care of excess water was given to the Clerk-Treasurer to be placed in the minutes.

Mitchell Denny appeared and asked to have two street lights placed in Circle Drive. The Clerk Treasurer was instructed to find the cost of these and report.

Trustee Asbury asked if a place could be found for a dumping ground for the Town. Trustee Gibbs reported he had contacted Mr. Schenk and he has agreed to allow dumping there.

The condition of the sidewalk at the Sunoco Station was brought to the attention of the Board. It was felt they were not following their specifications in allowing cars to be driven over the walk west of their drive.

~~In the matter of dredging Goose Creek, minutes are attached.~~
The playground equipment, belonging to the town but now at the School was brought up. Mr. Hawkins will contact the School on this matter.

Mr. Asbury explained about a new disposal plant which is lower in price than the one under consideration. It was planned for the Trustees to visit the one at New Whiteland and investigate further.

After a discussion of the newly discovered deed to the old Cemetery, it was decided to wait for a report from the Methodist Conference as to its legality.

The matter of the annexation was tabled till next meeting.

The following claims were presented for payment:

Policeman, Town of Mooresville, Ind.

Dated:

June 21, 1956.

Mr. J. E. Allman, Mr. Roy Little Mr. Bill Potter appeared as requested concerning the sewer from the Locker Plant. They explained their proceedings at the Locker Plant and Mr. Allman stated he had built the sewer leading to his property. It was suggested a grease trap be installed to alleviate the situation. They expressed their willingness to cooperate with the Town in any way and Mr. Allman stated he would install the grease trap. This will take the blame off them.

A discussion of the downspout ordinance followed. Gibbs moved and Asbury seconded that they try to find a man to act as inspector and report at next meeting. Motion carried.

Several trees were reported as needing cutting. Asbury moved and Einfeldt seconded to have J. E. Allman cut them. Motion carried. Street Commissioner Kendall had informed the Clerk-Treasurer that if a cross cut saw were purchased, he could cut several trees thus saving some money. Gibbs moved and Roberson seconded that a saw be purchased. Motion carried.

~~Mr. O'Brien reported having contacted Mr. Dickson regarding cutting a street through the Fogleman land from the proposed highway, to the septic tank. He will contact their attorney and they will draw up necessary description.~~

Mr. O'Brien reported having contacted Mr. Dickson regarding cutting a street through the Fogleman land from the proposed highway, to the septic tank. He will contact their attorney and they will draw up necessary description.

Mr. Fred Heger of Moore & Heger was present in the interest of the proposed sewer. Mr. Hawkins told him of their trip of inspection to New Whiteland. He then explained more thoroughly their own proposals. Mr. Heger will report more fully in the near future.

The condition if the streets were discussed. Gibbs moved and Roberson seconded that the Water be notified to stop further construction until the ditches are filled, heavy equipment run over them and the streets made passable.

Annexation was next to be discussed. Each expressed his opinion on abolishing the former ordinance dealing with this subject. All were in favor of abolishing said ordinance. An ordinance entitled "An ordinance repealing ~~an ordinance~~ and annulling a certain ordinance passed on the 28th day of December 1954," was read. Asbury moved and Roberson seconded the adoption. Motion carried.

Ordinance # ~~4~~ 1956, to annex certain platted territory known as Glendale, was read. The Clerk Treasurer was instructed to publish this ordinance for two successive weeks in the Mooresville Times. Einfeldt moved and Gibbs seconded its adoption. Motion carried. After a discussion on the property surrounded by the Town, Asbury and Hawkins will ask J. Allman, House Scott and Freeman and Einfeldt will ask McElwain and Chowning to come into the Town by petition. Mr. O'Brien will draw up legal description of these places.

Since a new floor covering for the Municipal Building is badly needed, the J C C's have agreed to lay the floor if the Town will buy the material.

The Cemetery Committee will get an estimate on repairs on the building at the cemetery. In further discussion it was brought out that all understood that Kay Connell was to do the mowing there.

Hawkins presented a proposition to buy a heavy frame for swings at the Park. It is such a good buy that Gibbs moved and Asbury seconded it be bought. Motion carried.

After a report on cost of lights on Circle Drive, Gibbs moved and Roberson seconded that two lights be installed. Public Service Co. will be notified.

Mr. House is to be asked to give an estimate on cutting an additional door in the fire house as it is very difficult to drive in and out of the alley.

A letter from Mrs. Carolyn White in which she gave her permission for the J C C's to ~~install~~ place trash barrels on the streets was read. This had been her original project but since barrels were not available to her group, she was willing to give up this work.

The Clerk-Treasurer was ~~instructed~~ to write the Hoosier Water C.

telling them to proceed with their original plans to supply Glendale with water.

It was suggested we get an estimate on cost of blacktopping the lot south of Municipal Building.

Permission was given to issue a new deed to D.R. & Opal Meo as original is presumed to be lost.

The latest report of State Highway Department is an oral one that the meters will stay out.

Mooreville, Indiana,

June 19, 1956.

The Board of Trustees of the Town of Mooreville met in regular session June 19, 1956 at the Municipal Building. The meeting was called to order at 7:30 P.M. by President Hawkins. Prayer was by Mr. Hawkins. Asbury, Hawkins Einfeldt and Roberson were present. Mr. O'Brien, Their attorney was also present.

Trustee Hawkins reported on his recent inspection of the septic tanks. He was accompanied on this inspection by a representative from the State Board of Health. The condition was such as to warrant immediate attention. Asbury moved and Roberson seconded that Hawkins contact Harold Witt to see if he would care for them as needed. Motion carried.

Hawkins read a letter from the Hoosier Water Co. concerning the supplying of water to Glendale. Also concerning water to the unannexed territory north of town. Since the Board has had no plan from the Development, no action could be taken. Clerk Treasurer was instructed to so inform the Water Co. and also tell them we wanted all possible protection to Glendale as soon as can be done.

Ray House gave an estimate on installing new fire door. It will be about \$441.50.

After a discussion of the parking situation Asbury moved and Roberson seconded that the meters be left out on Indiana and Main Streets until definite orders are received.

A letter was read from the Mooreville Public Service Co. stating that lights had been installed in Circle Drive. Also oral thanks was received by the Clerk-Treasurer from residents of Maple Lane for the improvement in the streets.

Marie Clift was heard concerning lights and other conditions in Glendale. Roberson moved and Asbury seconded that investigation be made and lights be installed where practical. A discussion of the open sewer in this area followed. Asbury moved and Roberson seconded that Mr. O'Brien write Mr. Druhet, the proprietor of the meat market telling him of this and asking that he have the septic pumped out often. Motion carried.

At this time, Lawson Lawrence was appointed to the Library Board to fill the vacancy caused by the death of Wm. Macnabb. This was by motion by Asbury and second by Roberson.

The Clerk Treasurer was asked to write the Dual Parking Meter Co. asking them to give the approximate number of meters that could be placed on the lot south of the Building.

The Bell Telephone Co. has asked the approval of the Board to leave the cable over Indiana Street. This was given by a motion by Einfeldt and second by Roberson. Einfeldt was authorized to tell The Public Service Co. that they may trim the trees which interfere with street lighting.

Trustee Hawkins with Bill Owen and Sam Harrington had moved the newly purchased swing frame to the Park and Asbury moved and Roberson seconded to install the swings. Motion carried.

The subject of vacations was brought up. Asbury moved and Roberson seconded that each policeman be given ten days vacation, with seniority rights. A substitute policeman will be hired and he will act as inspector of downspouts.

After a discussion of the parallel parking, the officers were notified to put tickets on illegally parked cars.

An ordinance #5 to annex certain territory surrounded by the Town was read. The property owners concerned are E. A. Freeman, Lois Scott, Ray House, Milo McElwain and Morris Showning. The ordinance will be published twice.

Ordinance #6 to annex land contiguous to the Town was read. This will include the east septic tank, and adjoining land: also the Town Park. This will be published twice.

A discussion of parking meters followed. Trustee Asbury will contact two business men concerning the vacant lot by the Savings and Loan Ass'n. to see if the lot can be leased for a parking lot.

The following claims were presented for payment.

Mooresville, Ind.
 July 17, 1956.

The Board of Trustees of the Town of Mooresville met in regular session July 17, at 7:30 P M. In the absence of the President the Clerk * Treasurer called the meeting to order and asked them to choose a chairman. Roberson moved and Asbury seconded that Trustee Einfeldt act as Chairman. Motion carried. Einfeldt, Asbury and Roberson answered roll call.

Mr. Taylor was present and talked to the group about a police radio. He explained that the Civil Defense will pay half of the cost. With the growth of the Town, the need for one is felt. The Board will consider this in the Budget. The representative will send all necessary information on this before the budget meeting.

Mr Rogers of Steel Protection Co. was present to discuss the downspout situation. He presented two or three ways that he could handle this and the Street Committee will meet with him to work out a solution. They will also investigate the fact that Bridge Street cuts across a corner of the Company's property.

Mr. Bob Dunn of Builders of National Homes was next heard. He is interested in improving a plot of ground north of town and he has agreed to submit his plans to the Board for approval. The Board agreed that under these plans they will go along with him.

Marie appeared to see if anything definite was known about the status of Glendale. She reported that there was a petition being circulated to keep them out. She was informed that as of now, they are in the corporation.

A letter from the State Highway was read saying that due to the fact that Rte 37 will soon be routed through here, the need for the turn lane is greater. Therefore the Town may repaint the curb yellow where the meters had been removed.

A letter from Moore & Heger was read containing some information on former sewer plans.

A letter from the Friends Church was read saying they will not want their usual spot at Old Settlers this year but wished to reserve it for next year if they should want it.

The Clerk-Treasurer was asked to write the State highway and ask about hanging signs on the cable left by the Phone Co. It was felt that signs could be put there directing traffic to a certain extent.

Minutes of July 17 continued.

The condition at the old Cemetery was brought up. Mr. Asbury moved that after he had talked to the Board of The M.E. Church, the Town mow the weeds. Roberson seconded this. Motion carried.

Since it is difficult to get anyone to dig graves at the present price, it was agreed to pay a digger \$20.00 per adult grave.

All trustees agreed that steps must be taken to enforce the parking meter violations. They will ask Mr. O'Brien what steps to take.

August 14, 1956.

The Board of Trustees of the Town of Mooreville met in regular session August 14, 1956 at 8:00 P.M. Meeting was opened with prayer by Chairman Hawkins. Hawkins, Asbury, Einfeldt and Roberson answered roll call. Attorney O'Brien was also present.

The minutes of the previous meetings were read and approved.

The Treasurer's report showed a balance in all funds to be \$38842.23.

A discussion of the situation with Moore & Heger followed. Each expressed his opinion that it would be well to continue with them.

Dean Abbott was present and thanked the Board for their check for their work at Old Settlers. He asked that they be allowed to ~~do the same~~ ^{do the same next} year. The general consensus was that it had been a job well done.

George Coleman was next heard. He wished information on trailer permits. The ordinance was read to him which seemed to clarify matters. The Police are to be instructed to check on the trailer on Washington Street.

Mr. Sam Blue, attorney, was present and presented a petition from some residents of Glendale to be disannexed from the Town. The date of September 4th was set for hearing.

Hershel Coleman, Delbert Hobson and others were present and showed their plans for the land to be known as Mooreville Heights. After examining the plans, the Board deferred decision until next meeting.

Mr. & Mrs. Frank Hornung appeared to protest the practice of some neighbors who work on old cars late at night keeping them awake. They were advised to call police when this happens.

A letter from Attorney Kivett concerning the water flowing on Mr. Mendenhall's land was read as was one from the State Highway concerning the overhead lights on S. Indiana Street.

The Clerk-Treasurer reported clearing close to \$700.00 at Old Settlers. Einfeldt moved and Roberson seconded we donate the money the Boy Scouts made selling cups to them. Motion carried.

The playground equipment at the Park is to be returned to the School for the winter.

The Board ruled to pay the Police extra for Old Settlers according to the hours they worked.

Mr. Adams presented a request from the Cof Cto close N. Indiana Street at 7 P M the evening of the 25th for a parade and dance. Request granted.

August 21, 1956.

The Board of Trustees of the Town of Mooreville met in regular session August 21st at 8:30 P M. The meeting was opened with prayer by Rev. Fanchler of the Grace Missionary Church. Hawkins, Asbury, Einfeldt and Roberson answered roll call.

The Minutes of the previous meeting were read and approved.

A group of citizens were present to protest the proposed plans of the plat of ground known as Mooreville Heights. After hearing them, the Board felt they should have all the plans explained to them by the Development Corporation and so arranged a meeting with them for August 27th.

The Clerk Treasurer was then instructed to write to Moore & Heger to come to the September 4th meeting for final Approval of the sewer project.

Ordinance # 7 was given first reading but due to protest no action was taken at this time.

Mr. Frank Mendenhall was next heard. He was seeking information on the situation in Glendale. After a discussion, he was assured that the Board had made no plans to put a septic tank on his land as he had been told. Their hearing is set for Sept. 4th.

Some members of the Brown Township Fire Department were present and with H.B. Monday, local fire Chief as spokesman, the two departments presented a request for a new fire siren that could be heard. The Board will act as soon as an additional appropriation can be arranged. The Township will pay half the cost.

With the general feeling that the weed situation had gone long enough, the Street Commissioner is to be instructed to have the weeds cut where needed and the cost is to be charged to the property owner.

The claims were presented for payment. Roberson ^{moved} and Asbury seconded to allow the following Motion carried.

The Board then went into continued session for the purpose of considering annexation of Mooreville Heights, and hearing the citizens who were opposed to the building as it was planned. Hawkins, Einfeldt, Asbury and Roberson answered roll call.

The President asked that each side have a spokesman. H.D. Coleman spoke first for the Development Corporation. He presented the plan as it stood then, which was to build this area up with nice homes. Ray House, Delbert Hobson, Engineer, Wm. R. Gentry, Builder, A.H. Lusty, President of the Development Corporation spoke briefly.

R E S O L U T I O N

WHEREAS, the question of ownership of the lots in front of the cemetery on West Washington Street in Mooresville and which formerly was occupied by the First Methodist Church has been a subject of debate for many years, and

WHEREAS, the Town Board have in their possession a deed giving evidence that the above-mentioned property was deeded to the town of Mooresville in 1922 by the Trustees of First Methodist Church and which transfer was properly recorded at the Recorder's Office in Martinsville, and

WHEREAS, the legality of the above-mentioned transfer has been questioned because no record of authority from the Quarterly Conference or congregation for the Trustees of First Methodist Church to deed the same property can be found within the records of either the First Methodist Church or the Town Board, therefore

BE IT RESOLVED, that the Trustees of First Methodist Church of Mooresville do concur in the intent of the Board of Trustees in 1922 and do unanimously recommend to the Quarterly Conference of the First Methodist Church that they confirm the action taken in 1922 by the Board of Trustees and that the lots on West Washington Street upon the adoption of this resolution are thereby acknowledged as belonging to the town of Mooresville.

Adoption of this resolution shall constitute any necessary authority needed by the Board of Trustees to complete any legal details that may be involved in the above-mentioned transfer.

Schuyler Spoon spoke for the opposition. Their main objection was that the first row of new houses would be built with the backs the backs to the front of their homes., on St. Clair Street. They do not receive mail service on this street and it also ends as a dead end street. They felt as though they were not being treated fairly. After quite a lengthy discussion, the groups came up with the following agreement:

1 Wm. Gentry, Construction Company agrees to

1 Extend storm sewers from north line of St. Clair St. to North line of Carlisle St., fill in and grade Bishop Avenue.

2 Fill and grade St. Clair St. to west line of subdivision.

3. Permit lot owners on south side of St. Clair St. to tie into sewer along north side of St. Clair St. without charge, one "T" connection to be installed for each such lot by Gentry Construction Company.

In return for the above the property owners on the south side of St. Clair agree not to oppose the annexation of Mooresville Heights subdivision by the Town of Mooresville, and not to oppose the building of homes in the subdivision with backs to St. Clair St. as in the F.H.A. approved plans.

The Town of Mooresville agrees to blacktop the above mentioned parts of St. Clair and Bishop Sts.

Mooresville, Indiana,
September 4, 1956.

The Board of Trustees met in regular session September 4, at the Municipal Building, at 7:30 P.M. All members and Mr. O'Brien, Their attorney were present. The meeting was opened with prayer by Rev. Griffith of the Nazarene Church. Due to the many matters to be discussed, the reading of the minutes and treasurer's report were dispensed with until the next meeting.

The first speaker was Mr. Harad of W. Washington Street. He spoke on the condotion of Washington Street and other places, which had been left by the Hoosier Water Co. in their construction work. He asked that the necessary steps be taken to have these streets replaced as they were. They also asked if they would be permitted to proceed with the improvement of the Old Cemetery. They were given permission. A copy of the resolution from the First Methodist Church recommending that the Conference recognize the Cemetery as belonging to the Town, is attached to the Minutes.

A letter from the State Highway was read in which they stated that they would install the overhead signs on State road 67 on South Indiana street.

Mr. Fred Heger of Moore & Heger, met with the Board in connection with the proposed agreement to be entered into concerning engineering services to be provided by them to the Town of Mooresville, connected with the building of new sewers. A discussion of the agreement followed. Mr O'Brien advised the Board of Trustees that one contingency exists - this being that on the entering of the contract and the subsequent prevention or disability to carry to completion the building of the sewers, the liability under the contract or agreement would remain. However in view of the possibility of the Town receiving a cease and desist order from the Stream Control Pollution Board, the sewer system will probably be completed

and this contingency dissolved. Asbury moved and Roberson seconded the Board enter into the agreement. Motion carried. Trustees did then sign and execute this "Agreement". Gibbs moved and Einfeldt seconded that the Clerk-Treasurer execute an application for an Economic Council loan. Motion carried. Mr. Heger suggested meeting with a committee and Mr. Hobson for it. Einfeldt, Asbury and Hawkins will meet with him.

Several citizens ~~with their attorneys~~ of Glendale, with their attorney, Mr. Sam Blue came before the Board to ask that they be disannexed from the Town. The Court reporter was present to make a transcript of the proceedings.

Mr. Chester King, Mr. Virgil Perry, Mr. M.O. Shrake, Mr. Cletus Poe and Mr. Lloyd & Gill were all called and questioned by both attorneys. They objected on matters, namely, Discontinuation of School bus service, no benefit from being in town, no need for water, lights etc. Mr. Hawkins read to them a letter which he had received recently from the State Board of Health in which they said sanitary conditions in this were very bad. Marie Clift spoke for the other side and expressed a desire to stay in Town. Mr. Blue closed by asking the Board to allow disannexation. The Board took the matter under advisement until September 18th.

Mr. M.O. Shrake, who has recently moved from the Glendale area to the Town of Mooresville, asked the Town to remedy the street situation in front of his new home. This was referred to the Street Committee.

The Board of Trustees met in regular session September 18, 1956 at 7:30 at the Municipal Building. The meeting was called to order by the President. Prayer was by Reverend Crisswell of the First Methodist Church. All members and Mr. O'Brien, their attorney were present.

The minutes of the two previous meetings were read and approved. The Treasurer's report showed a balance in all funds to be \$33286.00.

The first matter to be discussed was the disannexation of Glendale. Each trustee expressed his opinion on the matter. After this, Einfeldt moved and Roberson seconded the disannexation be disallowed. The motion was carried unanimously.

A letter from the Economic Council was read saying they had received the application for a loan for starting the sewer project. They stated the Town would be notified as soon as the matter was acted on.

A request for a street sign at Circle Drive and N. Indiana Streets was presented. The request was granted and Clerk Treasurer instructed to order same. This was done by motion by Einfeldt and second by Asbury.

The Clerk-Treasurer was given permission to make a duplicate deed to a cemetery lot belonging to Myrtle Keller.

The traffic situation at school was next on the list. Asbury and Roberson were asked to meet with members of the School Board to try to work a way to curb speeding and guard the little ones in every way.

Three representatives from the Hoosier Water Co. were present. They, with Mr. Holland as spokesman, asked about the places in the Town left in bad shape by the Water Co. in their recent work. He also asked if it would not be better to leave Glendale installation until their problem is completely settled. He presented the firemen with a map of the Town showing the location of the hydrants. They will write the Board a letter showing the proposed new hydrants and the Board can then take action.

Mr. Wm. Powell was present to discuss with the Board, to propose the building of a mausoleum in the cemetery. His proposition sounded very good but before taking any action, they wished to contact if possible, some place that has one of these. With the understanding that a bond might be furnished, they agreed to study the proposition and give him an answer later.

Trustee Gibbs introduced Mr. Clark *Hermesdorfer*, a man who has had experience as fireman and also in law enforcement. This was with the thought in mind of increasing police protection when the Town is in financial condition to do so. To study the way these problems are handled, each trustee agreed to go to a separate town and see their methods.

Discussion of the need for additional appropriation followed. Trustee Asbury moved that additional appropriations, as follows, be made.

The Board of Trustees of the Town of Mooresville met in regular session October 2, 1956 at 7:30 P.M. at the Municipal Building. The meeting opened with prayer by Reverend Watson of the Calvary Methodist Church. Hawkins, Asbury, Roberson and Einfeldt answered roll call. Mr. O'Brien, their attorney was also present.

The minutes of the previous meeting were read and approved. The Treasurer's report showed a balance in all funds to be \$30856.84.

The appeal of Glendale to the Morgan Circuit Court for dis-annexation, was presented. It was the general opinion that, because of the water and sewer situation, it should be set for hearing as quickly as possible. This was placed in the hands of Mr. O'Brien.

Mr. Harry Wilson was present and presented a petition for a trailer court. This was accompanied by the application properly filled out, a drawing of the proposed lot and the necessary fee. The drawing is attached to the minutes. *Permit approved.*

A request for a reserved meter in front of the office of Dr. Bivin, was presented. In view of the many business men who might feel they should have the same, it was thought best to deny this. Any emergency will be considered by the Police.

The application of Chas. Hinshaw, to serve as extra policeman was presented and approved.

Wm. Gentry and Delbert Hobson were present with their plans of the newly annexed territory known as Mooresville Heights. Their plans were approved and they were told that they might start construction as soon as the State Board of Health approved.

Mr. Powell discussed the proposed mausoleum. He reported that since no money was actually involved, the bonding Company would not bond him. The Cemetery Committee will work with him and find the most suitable location. *if built.*

The Field Examiner's report from the State Board of Accounts was read. This covered the period from June 1954 to December 1955. The records were found in order.

The proposition of the follow up letters on meter violators who do not pay, was presented. The Clerk Treasurer was instructed to send for ~~one thousand~~ *thousand* of these for trial.

The Board of Trustees met in regular session October 16 at the Municipal Building. The meeting was called to order at 8:30 P.M. by Chairman Hawkins. Prayer was by Reverend Miller of the Church of God. Hawkins, Einfeldt, Gibbs and Roberson answered roll call.

The minutes of the previous meeting were read. Roberson moved and Einfeldt seconded they be approved. Motion carried.

Mr. Powell was present concerning the proposed mausoleum. Since members of the Board had been advised that some mausoleums had not proved satisfactory, they felt that they wished to check a little further before committing themselves. They will notify him later.

The fence at the cemetery was reported mended.

A petition, protesting the building of a trailer court on the lot owned by Harry Wilson, was read. William and Fern Cox also appeared in person to protest the same. They were advised by the Board that since Mr. Wilson had complied with all laws, both State and local, that they could not refuse the permit.

A representative from Motorola was present in the interest of Police Radio and Equipment. He explained the procedure for obtaining one. He was asked to confer with Mr. O'Brien on the matter.

The need for an extra police for the Halloween period was felt. It was agreed to have the extra men on duty Monday, Tuesday and Wednesday evenings.

The Board felt the Firemen should be commended on their efficient handling of the fire drill at the school house. The Einfeldt moved and Roberson seconded to send letter of appreciation to both town and township companies. Motion carried.

November 6, 1956.

The Board of Trustees of the Town of Mooreville met in regular session November 6th, at the Municipal Building. The meeting was called to order at 7:30 P.M. by the President. Prayer was by President Hawkins. All members and Mr. O'Brien were present. Due to this being election night, the reading of the minutes and the Treasurer's report were deferred until next meeting.

A petition from the Christian Church to be annexed to the Town was presented. After a discussion, Asbury moved and Roberson seconded that this be deferred until the possibility of annexing adjacent territory, both to the east and north, including the water tower, be investigated. Motion carried. A committee composed of Gibbs, Roberson and Asbury, was appointed to contact property owners to get their reaction and reach satisfactory agreement. Einfeldt was asked to act as chairman due to the serious illness in Mr. Asbury's family.

Since the new fire siren has been installed, the disposal of the old one was discussed. Asbury moved and Gibbs seconded that we check with the school to see if they have one and if so, to contact neighboring communities to try to dispose of it.

Ordinance # 8 concerning the obtaining of a loan for the preliminary plans of the new sewer system, was read. Asbury moved and Roberson seconded its adoption. Motion carried. The Clerk Treasurer was instructed to send the necessary papers to the Auditor.

Mrs. Mildred Thompson appeared before the Board to ask them to adopt a zoning ordinance for the Town so they might be protected from more trailers being allowed in the Town. She was assured that the Town has considered this, but it is a very slow process. The Trailer ordinance was read and discussed. It was the general consensus that such an ordinance is needed and will be considered in the near future.

After a discussion of the condition at the cemetery, the Clerk Treas. was instructed to put an ad in the Mooreville for a competent draftsman to chart and codify the cemetery plot. It was felt this was more necessary at the present than the repair of the building.

November 20, 1956.

The Board of Trustees met in regular session November 20, 1956 at the Municipal Building. The meeting was called to order at 7:30 by the President. Prayer was by President Hawkins. All members answered roll call.

The minutes of the previous session were read and approved. The Treasurer's report showed a balance in all funds to be \$30363.76.

Einfeldt reported having contacted Mr. Hadley concerning annexation of his property. Mr. Hadley is willing to have a part of this land annexed. This is adjacent to the water tower and includes the land which the Town wanted. This will be done as soon as proper steps can be taken.

There was no further report on the mausoleum.

There was no report on the disposition of the old siren as the School Board was in session the same evening. They will report later as to whether they want it or not. The installation of the new siren was discussed. The Civil Defense program must be started if we are to get a refund.

Much to the regret of all, Mr. O'Brien, the Town Attorney is leaving. In discussing his successor, it was decided to hold a meeting on November 27 at which time names would be presented and one would be chosen. A new chairman would also be named.

A letter from the State Highway Department was read. In answer to a request they refused to allow the "No Parking" signs to be removed from State Road 267 since it is so narrow. An ordinance will be prepared to prohibit parking on the south side of Morgan Street. This is to eliminate congestion on nights when there are meetings being held at the school. The No Parking will be in force at all times. The Police will be issued instructions to give tickets to all violators on both Morgan Street and 267.

The Public Service Co. will be instructed to proceed with the installation of the new lights in the Business district. They will also be asked to place a light in the alley by the fire door.

Officer Poe had presented a very good idea make it easier to call the police when they are patrolling, by placing lights on the phone booths over town. The clerk-treasurer was instructed to contact the Telephone co. to get their cooperation in this project.

The Board of Trustees of the Town of Mooresville met in regular session December 4th at the Municipal Building. The meeting was called to order by the President at 7:30 p.m. Prayer was by Reverend Furbay of the Friends Church.

The minutes of the previous meeting were read and approved. The Treasurer's report showed a balance in all funds to be \$28,670.91.

The first matter brought to the attention of the members was the condition of the streets near the meters in icy weather. The Clerk was instructed to tell the Street Commissioner to put cinders or sand on such places as needed.

Elbie Miller appeared before the Board with complaints on some procedure. Some of his questions were referred to Attorney O'Brien for answers. The Board agreed to discuss the matters with a feeling that it could be settled satisfactorily to all.

Mr. Nelson of General ^{Electric} Motors was present in the interests of the Police radio. He outlined plans and quoted prices but since the Board had not gone into the matter thoroughly, no decision was reached. Along this same line the Clerk-Treasurer reported having contacted Bell Telephone Co. on the idea of installing lights on the phone booths. The General Manager reported that the Company will convert to dial phones in 1958 and did not think the plan would be feasible.

Mr. Robert Dunn next appeared with his plans to develop a certain plot of ground and build National Homes. He is ready to proceed as soon as an agreement can be reached. The Board will report to him later.

received

The Clerk-Treasurer reported having a check for \$17,500.00 which was the loan applied for, from the Economic Council for the preliminary plans for the new sewage system. This has been deposited under a separate fund.

A letter from Mr. E. F. Hadley on the danger of grass fires was read. It required no action.

Letters were read from the Public Service Co acknowledging the instructions for installing a light at the fire door and for the new ~~lights~~ lights in the business district.

The Clerk reported having contacted Civil Defense in the interest of a refund on the fire siren but so far has received no answer.

A letter from Gooding Amusement Co was read expressing thanks for being asked to serve the Town at Old Settlers and hoping that they might serve again next year.

A short discussion on the pool room ordinance followed. The Clerk will check for the latest ordinance covering the situation.

Ordinance # 9 fixing the salary of the Attorney was read and adopted. Ordinance # 10 fixing the salary of Town Marshal was read and adopted. Resolution # 2 authorizing the Clerk Treasurer to transfer the sum of \$3500.00 from the Parking Meter fund to General fund was read and adopted.

Ordinance # 11 prohibiting parking on the south side of Morgan Street at all times was read and adopted. The Clerk-Treasurer will cause same to be published in Mooresville Times. Asbury moved and Roberson seconded to make the fine for violating this ordinance not less than three dollars (3.00) or more than ten (10.00) dollars. Motion carried.

Chairman Hawkins, in behalf of The members of the Board expressed their appreciation for the excellent work done by Mr. O'Brien for the Town in the last year.

Trustee Roberson asked if there were ordinance in existence that would protect any one if there should be abandoned wells left unprotected. No one seems to know of any.

The Friends Church has asked permission to burn Christmas trees in a twelfth night ceremony. This was granted and Clerk instructed to have them notify the Fire Department so they could stand by in case they were needed.

Since a slight dispute has arisen in certain department, Asbury moved and Roberson seconded that both parties be contacted to try to settle this amiably. Motion carried.

The Board of Trustees met in regular session December 18, at the Municipal Building. The meeting was called to order at 7:30 P.M. by the Chairman. Prayer was by Reverend Griffith of the Nazarene Church.

* The minutes of the previous meeting, ^{read} and with one correction were approved. All members were present. Mr Fulford, the new attorney was also present

Ordinance #11 dealing with parking on south side of Morgan St. was given second reading.

Mr. Xanders of Motorola Company was heard first. He presented plans and quoted prices for their police radio. As they had done with G.E.Co., the Board gave no answer yet. The Company will do some further investigation, doing some of the necessary paper work to get this project started. They will report their progress to the Board.

A later pool room ordinance than the one noted before has been found. It reads that the fee is \$10.00 for the first table and \$5.00 for each additional table.

The annexation program was next discussed. A committee composed of Hawkins and Roberson will contact Mr. Hadley, Mr. Loveless and Mr. Harker The surveyor, to see if all details can be worked out by January first so it can be entered for taxation next year. If this is not possible, Einfeldt moved and Gibbs seconded that the matter be postponed until it can be done ^{all at once} ~~right~~. In the meantime the Clerk-Treasurer will notify Mr. Robert Dunn that they can not grant approval to his plans until Moore & Heger make their report as to where the disposal plant/ will be located. Moore & Heger are to be contacted asking for a report on their progress.

The new lighting installation was next subject. Mr. Robert Adams spoke as a citizen, not as a publisher. He protested the changing of the lights as he did not feel they were needed. After a discussion, Gibbs moved and Roberson seconded that # 3 installation be adopted. Motion carried. This calls for installation of the 10000 Lumens with the possibility of converting to 15000 lumens later.

The claim of Harold Witt, received in the mail, for work in August, was read. After considering it, the Board felt it was not fully justified and voted by motion by Gibbs and second by Asbury to allow for the first four days pay.

The need for a sidewalk on Morgan Street was brought up. Mr. Fulford explained the procedure to obtain these so that it would not be so expensive to the property owners. It was suggested that a civic organization contact property owners to get their opinion and see if they are willing to construct same.

Permission was given Aldrich Harvey to have the pigeons around the Methodist Church killed. They asked that one of the Town Marshals do this.

Trustee Gibbs suggested that the Board go along with citizens if they decide to go before the Public Service Commission in an effort to get the Water rates reduced. Since the Water Company has not fixed the streets according to agreement, The street commissioner will be asked to make an estimate of damage not repaired and the Company will be asked to make restitution. They will also be asked not to dig further until this is done. and they obtain a permit.

Mooresville, Ind
December 27, 1956.

The Board of Trustees of the Town of Mooresville met in continued session December 27 at the Municipal Building. Meeting was called to order at 7:30 with Hawkins, Einfeldt, Gibbs and Roberson answering roll call. The purpose of the meeting was to finish the business of 1956. The minutes of the previous meeting were read and with one change in the wording were approved.

A letter from Mr. Hadley, concerning the annexation under consideration, was read. In connection with this, Mr. Hawkins, reported having contacted Mr. Hadley, Mr Loveless and Mr Harker. All agreed that the best way to proceed was to take in the part where the water tower is located and the other later.

A letter from Motorola was read. It stated that the Civil Defense form has been filed and also the forms with FCC. One from Civil Defense Director at Martinsville was also read but no further information on progress was noted.

The position of the siren and red light buttons on the Police car have proven unsatisfactory. Einfeldt moved and Roberson seconded that these be changed. Motion carried.

The State Highway has asked to be allowed to put signs on the poles on which the Christmas lights are hung. Since these belong to the C of C they will have to be contacted.

A discussion on the need for more cemetery land followed. It was suggested that after the first of the year this be purchased if possible.

Einfeldt moved and Roberson seconded to pay Clerk-Treasurer additional compensation from the Parking Meter fund. Motion carried.

January 1, 1957.

The Board of Trustees of the Town of Mooresville met in regular session at 7:30 at the Municipal Building with the new Chairman, E.W. Einfeldt presiding. Einfeldt, Hawkins, Roberson and Gibbs were present. The opening prayer was by Trustee Hawkins. The minutes of the previous meeting were read. Hawkins moved and Roberson seconded they ~~may~~ be accepted as read. Since it was the first day of the year, the financial report was not ready.

Ordinance # 1-1957, annexing certain territory contiguous to the Town limit, was read. This will include the Christian Church and the Water Tower. Hawkins moved and Roberson seconded the adoption. Motion carried. The ordinance will be published in the Mooresville Times for two consecutive weeks.

After a discussion of the situation at the School House, it was decided to instruct Mr. Kendall to move the lines of the cross walk to Morgan Street, to the north side. If this does not prove satisfactory the ordinance will be changed so as to prohibit parking on the north side of Morgan.

Motorola reports they are still working on the request for a police radio.

Trustee Hawkins suggested that each church be given a schedule of the Board meetings asking them to take turns opening the meetings with prayer.

The disposition of the old siren was next. Gibbs moved and Roberson seconded that letters be sent to surrounding towns asking if they were interested and if so to submit bids. Motion carried.
